

Sylvia Barraz Memorial Scholarship

Scholarship(s) will be awarded to Senior(s) who donate their time to provide voluntary community service. Services include but are not limited to work done at School, Church, Nursing home, Children's activities, County activities etc. This will continue her legacy of helping others and making a difference.

Each service performed by participating Senior will be documented on a form provided, and will include name, date, activity and verification by adult in charge of activity. The person in charge will be required to sign and date said form. Family members will not be allowed to sign and date for any Senior unless it is a group activity of several Seniors being supervised by family member.

Depending on amount of participation, the family will make final decision on scholarship or scholarships to be awarded. Monies will be given to student(s) once proof of attendance to an Institute of Higher Learning is provided (Institutes included are Universities, Community Colleges, Technical Schools etc.)

Completed forms will be turned into Patricia A. Barraz or Tomas Reyes Barraz Sr. If you have any questions, please contact Pati at (361)231-2703 or Tommy at (361)231-2704. Deadline to submit all forms is May 2, 2020.
